

EzSubscription

your pipeline to the latest software tools, services, and information

protect your purchase gain budgetary advantage

EzSubscription is your pipeline to the latest Aclass software tools, services, and information. Delivering the latest software to you when you need it, the EzSubscription Program is an easy way to ensure you're always using the best technology without worrying about outdated versions, major upgrades, and unpredictable expenditures.

Protect your purchase

The annual subscription fee gives you the budgetary advantage of knowing what you've spent on software for the entire year and what you can expect to spend on software next year. And only subscription customers are entitled to continue using previous versions of their licensed software after installing an upgrade. Now, when project requirements dictate, you can eliminate workflow interruptions that often come with new software installation and implementation. All of this comes with a direct link to Aclass so you're always connected, informed, and one step ahead.

Your annual fee provides

- The latest versions of your licensed Aclass software .
- Access to selected EzContent Premium Content Free of charge.
- Access to the members-only subscription site.
- Pre-release versions of Aclass software for you to evaluate.
- Free Eztext account with 500 credits.
- Enhanced Maintenance including next day swapout out of faulty items.
- Discounts on our range of complimentary products.

“EzSubscription gives us peace of mind throughout the financial year.”
